Academic Good Standing and Satisfactory Progress Standards

STATEMENT OF ACKNOWLEDGMENT

(See pgs 33-38 of the NICC College Catalog)

In determining student financial aid eligibility for continued financial aid assistance either under GOOD STANDING or under PROBATION, students receiving financial assistance MUST complete a minimum of credit hours each quarter in line with the appropriate GRADE POINT AVERAGE as outlined below. Students on SUSPENSION may appeal their financial aid eligibility based upon their CUMULATIVE GRADE POINT AVERAGE.

1. Full time students (12 or more credit hours) receiving financial aid funds must complete a minimum of (8) nine credit hours per semester, or total of (16) sixteen credits within an academic year.
2. Three quarter time students (9 to 11 credit hours) receiving financial aid funds must complete a minimum of (6) credit hours or total of (12) twelve credit hours within an academic year.
3. Half time students (6 to 8 credit hours) receiving financial aid funds must complete a minimum of (4) four credit hours per semester, or total of (8) eight credits within an academic year.
4. Less than half time students (1 to 5 credit hours) receiving financial aid funds must complete 100% of hours attempted per quarter.

Satisfactory completion of course is a letter grade of an A, B, C, D or P. An F, W, IW, NC, IP, NC, or I are not acceptable for completion of a course.

GRADE POINT AVERAGE STANDARDS

The following cumulative grade point averages are required to maintain eligibility.

Freshman (0 ~ 30) credit hours earned	1.0-2.0
Sophomore (31 ~ 90) credit hours earned	2.0

I have read and understand my responsibilities, including the right to appeal concerning academic good standing and satisfactory progress. I understand that failure to maintain these standards may result in the cancellation of my future financial aid as outlined in the above standards. I further understand that adequate time is not always available to review my grades and mail financial aid probation/suspension letters. It is, therefore, my responsibility to know if my grade report, when compared to these standards, will cause immediate termination of my financial aid. In addition, I further understand that should I withdraw from school, my financial aid reward(s) may be prorated in accordance with the Department of Education and the NICC standards.

My signature certifies my acceptance of these conditions, and further, that I do not owe a refund on my educational grant, whether or not in default on my education loan at any higher education institution. In addition, I am aware that my eligibility will be based on credits accumulated. Students will be eligible for financial aid for 150% of the average year degree at NICC, which is, 90 hours (150% of 60=90 attempted hours). I declare that I will use any funds from financial aid while attending Nebraska Indian Community College solely for educational related expenses.
