VACANCY ANNOUNCEMENT

NOTICE: This Announcement is not a complete job description. For a complete job description contact HR.

POSITION TITLE: Adjunct Faculty Member for PHYS 1100 Physical Science (3 credit hours) and PHYS 1104 Physical Science Lab (1 credit hour)

PRIMARY WORK LOCATION: Macy, Santee or South Sioux City Campuses or virtually with assistance of TAs on site

CLOSING DATE: Until filled

ABOUT THE POSITION:
Nebraska Indian Community College seeks an adjunct to teach PHYS 1100 Physical Science and PHYS 1104 Physical Science Lab course during the Fall 2021 semester.

Course description: A survey course in the physical sciences with emphasis on scientific processes and problem solving. Areas of study will include selected topics in physics, chemistry, astronomy, geology, and meteorology. A scheduled laboratory will supplement classroom activities.

Mode: This course may be taught across our Video Teleconferencing (VTC) system from any of our three campus locations (Macy, Santee or South Sioux City), blended, or online (with adequate documentation of training and/or experience to teach online).

QUALIFICATIONS:
Master’s degree (or higher) with at least 18 graduate credit hours in the area of physical science or related fields

KNOWLEDGE, SKILLS, COMPETENCIES, and ABILITIES:
Preferred candidates will have proven success in the following:

• Teaching experience in higher education
• Documented training and/or experience using Online Learning Systems such as Canvas
• Cultural competence in serving Indigenous students and/or other minoritized populations

SPECIAL INSTRUCTIONS TO APPLICANTS: Nebraska Indian Community College gives preference to eligible and qualified applicants in accordance with the Indian preference in employment act and veterans’ preference. In the absence of qualified Indian applicants, consideration will be given to applicants without regards to race, color, creed, religion, sex, national origin, age, marital status, or veteran status, the presence of non-related medical condition or handicap, or other legally protected status. NICC is an Equal Opportunity Employer.

HOW TO APPLY: You can visit us on the web at http://www.thenicc.edu. Applications are also available at any of our three campuses. FACULTY: Include the following: (1) a letter of intent outlining how you are qualified for the position based upon the qualifications and responsibilities, (2) a copy of transcripts, and (4) an NICC Application. Please send your application materials to Anthony Warrior (Human Resources) at SanAWarrior@thenicc.edu.
