HIGH SCHOOL DUAL CREDIT ENROLLMENT FORM

I ________________ understand that currently enrolled high school seniors, sixteen or older, may apply for admission and enroll in no more than 6 college level credits, before completion of high school requirements. I understand that I must have permission signatures from a parent/legal guardian, high school official (i.e., Principal or Counselor), and the NICC Academic Dean. Students must be in good standing at his/her high school, as defined by the high school, in order to participate in college courses for dual credit. Students need to provide the following documentation.

1. An NICC admission application
2. This Dual Credit Form with all required signatures
3. Tribal ID if applicable, and social security number
4. Completion of placement testing, meeting minimum requirements – if required

All NICC college policies will apply to each student (e.g., add/drop, withdrawal). By signing below, dually enrolled students give authorization to NICC and High School Official to share student information including but not limited to grades, transcripts, test scores, and attendance documentation.
