|--|---|--|--|
| | MATH 0904 Developmental Math Lab (1 cr.) | MATH 1100 Intermediate Algebra (4 cr.) | MATH 1150 College Algebra or MATH 2170 Applied Statistics (3 cr.) |
| How would you describe your confidence? | "I don't yet feel confident in math." | "I feel moderately confident in math." | "I feel very confident in math." |
| Which concepts do you feel best reflect your skill-set? | "I can use addition, subtraction, multiplication, division." -OR- "I need to review these concepts." | "I am familiar with fractions, decimals, percentages, basic algebra, and geometry with little or no review." | "I have experience working with polynomials, exponents, factoring, rational expressions, roots and radicals, complex numbers, quadratic equations, functions, and logarithms." |
| When did you last work with math regularly? | "It has been many years since I worked with math at school or work." - OR - "I did not successfully complete MATH 0904 Intermediate Algebra." | "I have worked with math recently at school or in work." -OR- "I successfully completed MATH 0904 Developmental Math Lab." | "I work with advanced math regularly in school or at work." -OR- "I successfully completed MATH 1100 Intermediate Algebra." |
| Which courses did you take in high school? | Construction Math, Pre-algebra | Geometry, Algebra I, Algebra II | College Algebra, Trigonometry, Statistics |
| What were your math grades in high school? | B-, C+, C, C-, D, F 82% or lower (or grade not available) | B, B- 83% to 86% | B+, A-, A, A+ 87% or higher |
| ACT or GED Math Scores | ACT: 18 or lower (or not available) GED: 145-164 (or not available) | ACT: 19- 21 GED: 165-174 | ACT: 22 or higher GED: 175 or higher |
| What is your outlook on math? | "Either you are good at math or you aren't. Just do your best to get by." | "I can improve my math skills, and I know I have to work at it." | "I would like to advance my math experience and am up for a challenge." |
| Your recommended course is... (highest column total) | MATH 0904: ____ out of 7 | MATH 1100: ____ out of 7 | MATH 1150: ____ out of 7 |

Which Writing Course is the Best Fit for Me?

Guided Self-Placement for
ILO 2: Written Communication

When deciding which course is the best fit for you, it's important to think about a variety of areas such as: confidence, high school grades in the area, experience, ACT/GED scores, and more. Reflect on each of the questions to the left, and answer according to the response that is most aligns with you. Following, count each columns total to see your best writing course fit. Select majors have their own requirements.

Reflect on 6 questions below to find your best writing course.

| | Review R | Level 1 | Level 2 |
|---|--|--|---|
| | ENGL 0900 English Skills (3 cr.) | ENGL 1010 English Composition I (3 cr.) | ENGL 1020 English Composition II or other Level 2 Written Communication (3 cr.) |
| How would you describe your confidence? | "I don't yet feel confident in reading and writing." | "I feel moderately confident in reading and writing." | "I feel very confident in reading and writing." |
| Which statement best reflects your skill-set? | "I write in complete sentences, as well as remember main ideas and takeaways from a reading." - OR - "I struggle with reading and writing." | "I can express ideas clearly in writing with solid sentence structure. I can develop short essays with critical thinking, reading, and writing in mind." | "I can plan write revise, and edit essays. I am able to adjust my writing for the audience and purpose, and I can integrate research." |
| When did you last work with reading and writing regularly? | "It has been many years since I have read and written regularly." -OR- "I did not successfully complete ENGL 1010 English Composition I." | "I read and write often at school or in work." -OR- "I successfully completed ENGL 0900 English Skills." | "I read and write advanced materials regularly in school or at work." -OR- "I successfully completed ENGL 1010 English Composition I." |
| What were your writing/reading grades in high school? | C-, D+, D, D-, F (72% or lower) (or grade not available) | B, B-, C+, C (73% to 86%) | B+, A-, A, A+ (87% or higher) |
| ACT or GED Math Scores | ACT: 17 or lower (or not available) GED: 145-164 (or not available) | ACT: 18-24 GED: 165-174 | ACT: 25 or higher GED: 175 or higher |
| What is your outlook on writing/reading? | "Either you are good at writing or you aren't. Just do your best to get by." | "I can improve my writing skills, and I know I have to work at it." | "I would like to advance my writing experience and am up for a challenge." |
| Your recommended course is... (highest column total) | ENGL 0900: ____ out of 6 | ENGL 1010: ____ out of 6 | ENGL 1020: ____ out of 6 |

Your recommended course is...
(highest column total)

ENGL 0900: ____ out of 6

ENGL 1010: ____ out of 6

ENGL 1020: ____ out of 6

Which Technology Course is the Best Fit for Me?

Guided Self-Placement for ILO 4: Technology

When deciding which course is the best fit for you, it's important to think about a variety of areas such as: confidence, high school grades in the area, experience, ACT/GED scores, and more. Reflect on each of the questions to the left, and answer according to the response that is most aligns with you. Following, count each columns total to see your best math course fit. Select majors have their own requirements.

Reflect on 6 questions below to find your best technology course...

| | Level 1 | Level 2 |
|---|--|--|
| | INFO 1010 Introduction to Computers (3 cr.) | INFO 1200 Introduction to Productivity Software (3 cr.) |
| How would you describe your confidence in technology? | "I don't yet feel confident in using technology for online course work on my own." | "I feel confident in using technology for my online coursework and current/future career." |
| Which statement best reflects your skill-set? | "I can use my phone or computer to perform basic tasks like typing, searching the internet, or going on social media." - OR - "I have used technology minimally or not at all." | "I can use a computer to run varying office applications (word processing, spreadsheets, database software), do in-depth internet internet searches, etc." |
| When did you last work with technology regularly? | "It has been a long time/ I have not worked with technology in school or work." -OR- "I did not successfully complete INFO 1200 Intro to Productivity Software." | "I work with technology often in work or school." -OR- "I successfully completed INFO 1010 Introduction to Computers." |
| What were your grades in technology courses? | B, B-, C+, C, C-, D, F (86% or lower) (or grade not available) | B+, A-, A, A+ (87% or higher) |
| Computer Placement Test Score with Instructor | 70% or lower (or have not taken placement test) | 71%-85% - Virtual Section 85% or higher - Virtual or Online Section |
| What is your outlook on technology? | "Either you are good at technology or you aren't. Just do your best to get by." | "I would like to advance my technology skills to the next level and am up for a challenge." |
| Your recommended course is... (highest column total) | INFO 1010: ____ out of 6 | INFO 1200: ____ out of 6 |
