Community College

## PROCUREMENT TECHNICAL ASSISTANCE CENTER

Success starts with one step, in the right direction, with the right mission.

# ABOUT NICC PTAC

The Nebraska Indian Community College (NICC) Procurement Technical Assistance Center (PTAC) provides technical assistance, counseling, and training to Native-American businesses interested in pursuing opportunities with federal, state, and local agencies.

We are here to provide support for small business owners to learn about the procurement process and better understand government contracting.

At no cost to small businesses, we can provide assistance:

- Determining eligibility for government contracting and various small business certifications
- Conducting market research and identifying industry specific bid opportunities
- Providing educational resources and network opportunities aimed at growing business

## SERVICE AREAS

### OUR SERVICE AREA

The Umo<sup>n</sup>ho<sup>n</sup> (Omaha) and Isanti (Santee Dakota) Nations, as well as Native American businesses located in the State of Nebraska.

### ELIGIBILITY

- Native American businesses
  - Must be at least 51% Native owned
- Tribal Enterprises

## TRAINING

### WEBINARS

- Federal Contracting
- Federal Market Research
- Government Contract Compliance

### COURSES

- Contract Types and Formats
- Marketing
- Proposal Writing
- Tribal Affairs
- .... and more!

## RESOURCES FOR NATIVE BUSINESSES

### SMALL BUSINESS CERTIFICATIONS

#### 8(a) Business Development Program

- Offers assistance to businesses owned by socially and economically disadvantaged individuals

#### Women Owned Small Business (WOSB) Program

- Allows contract set-asides for WOSBs in underrepresented industries

#### HUBZone Program

- Federal contract set-asides for small businesses in economically depressed communities

#### Service-Disabled Veteran Owned Business (SDVOSB)

- Eligible small businesses compete for set-aside contracts

### FEDERAL BUSINESS RESOURCES
