**ABOUT THE COLLEGE:** *"The Nebraska Indian Community College provides quality higher education and lifelong educational opportunities for Umo'ho' (Omaha) Isanti (Santee Dakota) and all learners."* Nebraska Indian Community College is envisioned as a comprehensive Tribal College which values service through high quality education. Institutional programs value and cultivate the creative and productive talents of learners, faculty, and staff, and seek ways to contribute to the self-sufficiency of the Nations served, the wellbeing of our communities, and the quality of life and development of its learners, faculty, and service areas.

**QUALIFICATIONS:** Master's Degree with at least 18 graduate credits in Public Health, Environmental Health, or related field. Proficient in Microsoft Office applications. Excellent oral and written communication skills. College teaching experience is preferred as well as a familiarity with the use of technology (online learning management systems, video conferencing, etc.). The candidate must be able to show evidence of effective leadership and a background of proven success in working with students, administrators, faculty, and communities.

**KNOWLEDGE, SKILLS, COMPETENCIES, and ABILITIES:**

*Preferred candidates will have proven success in the following:*

- Doctorate degree in Public Health, Environmental Health, or related field
- Minimum of two (2) years instructional experience, preferably in a tribal or community college setting
- Experience instructing students from minoritized backgrounds, using technology in the classroom and/or for distance learning, and traditional/nontraditional methods of instruction
- Candidate should have a high degree of self-direction and motivation, strong inter-personal, written, and oral communication skills. Qualified applicants must be able to perform the essential functions of this position with or without reasonable accommodations.

**SUMMARY OF DUTIES AND RESPONSIBILITIES:** Full-time faculty have a 12-month contract with a minimum of forty hours per week. This includes activities in three general areas: teaching (50%), research (30%), and service (20%). Courses may include: Intro to Environmental Health, Microbiology, Technical Writing, Geographic Information Systems, Advanced Environmental Health, All-Hazard Emergency Preparedness, Water is Life and Aquatic Ecosystems, Environmental Health Management & Planning, Nutrition & Food Protection, Epidemiology, Toxicology, Recreational Environmental Health, Zoonotic & Vectorborne Diseases and their Control, and/or Solid & Hazardous Material and Waste Management. Teaching schedule may include assignments online, on other campuses, day, and evening classes.

**SPECIAL INSTRUCTIONS TO APPLICANTS:** Nebraska Indian Community College gives preference to eligible and qualified applicants in accordance with the Indian preference in employment act and veterans' preference. In the absence of qualified Indian applicants, consideration will be given to applicants without regards to race, religion, sex, national origin, age, sexual orientation, gender, veteran status, the presence of non-related medical condition or handicap, or other legally protected status. NICC is an Equal Opportunity Employer.
